Randy & Brenda Harmon, Kendrick, CO... Kendrick Bible Church is in the country

on the eastern plains of Colorado. There is no town; the church and parsonage sit at the corner of two dirt roads surrounded by pastures and cows. Most of our congregation travels several miles to attend services. **PRAYER REQUESTS:** 1) Pray that we will remain faithful to serving our Lord by loving and serving the

people around us. 2) Pray that our outreach efforts will be effective and that many neighbors will come to Christ. 3) There are many elderly in our church and community. Pray for wisdom for us as we minister to them. (*Kendrick Bible Church, 2985 County Road K, Rush, CO 80833. (719) 478-5576*)

Pray for:

* **Persecuted Christians** - www.persecution.com. **Jordan:** A Jordanian Christian has received death threats since coming to faith in Christ. While undergoing training to become an imam [an Islamic religious leader], the man placed his trust in Christ. His conversion angered members of his family, who have threatened his life if he doesn't successfully complete his training and move to a Gulf state to take up an Islamic post. "Your head will be on the street," one of his family members told him. Front-line workers have requested prayer for the new believer as they determine how to best serve him. Jordan is a majority-Muslim nation, and only 2 percent of its population are Christians. In addition to facing severe family pressure, Christian converts in Jordan can also be persecuted, sometimes violently, by their tribes and local communities.

* **Unreached People** - <https://joshuaproject.net/pray/unreachedoftheday/today> - **Khalka Mongol in Mongolia:** In the thirteenth century, Genghis Khan formed the largest empire in world history by uniting all the nomadic Mongol tribes. The Khalkha Mongols consider themselves the direct descendants of Genghis Khan, and they believe they are the true keepers of Mongol culture. They consider their language to be the "real" Mongolian language. Many are nomads, living in herding camps and migrating seasonally with their animals. The Khalkha Mongols were traditionally shamanists but were introduced to Buddhism in the 16th century. It is difficult to establish long-term relationships with nomadic peoples. Gaining their trust and finding the opportunity to present the good news of Jesus is a challenge. The Lord has called many Mongols to himself in recent years. His church is growing in Mongolia. Pray for Christian Mongolians to start a church planting movement. Pray for the Mongols to be open to hearing and receiving the gospel message. Ask God to send missions workers to preach and demonstrate his power among the Khalka Mongols.

* **2024 World Watch List** (most dangerous countries for Christians): **#34 - Columbia:** Ask God to protect church leaders and help them to serve Him, despite the danger. Pray for believers who are part of indigenous groups that view Christianity as a betrayal of culture and family. Pray that these Christians can find community and hope in the Lord. Ask God to protect and equip the next generation of church leaders.
